Who We Are

The International Association of Accessibility Professionals (IAAP) is a membership-based organization for individuals and organizations that are focused on accessibility or are in the process of building their accessibility skills and strategies. The objective of this association is to help accessibility professionals develop and advance their careers and to help organizations integrate accessibility into their products and infrastructure. The IAAP will provide a place for accessibility professionals around the world to gather, share experiences and enrich their knowledge of accessibility.

Our Mission

The mission of the International Association of Accessibility Professionals (IAAP) is to define, promote and improve the accessibility profession globally through networking, education and certification in order to enable the creation of accessible products, content and services.
